Another crowded room,
You see me coming though.
You don't know what to do.
I'm tired of playing games with you.

You're so full of uncertainty
You're never giving in to me
You're never giving in to me
You say you're never giving in to....

Hush now, dumb boy, you know that it's true.
I'm the best thing that ever happened to you.
Hush now, dumb boy, you know that it's true.
I'm the best thing that ever happened to you.

I'm unstoppable
Anything's possible
Fight like an animal
Simply incredible
I will blow your mind
Each and every time
Show me your wild side
Can't stop til I make you mine.

Another day goes by,
Another call, no reply.
You never know how to feel.
I gotta prove that I'm for real.

You know just where you wanna be
You're gonna make it without me
You're gonna make it without me
D'ya really think you're gonna make it?

Hush now, dumb boy, you know that it's true.
I'm the best thing that ever happened to you.
Hush now, dumb boy, you know that it's true.
I'm the best thing that ever happened to you.

I'm unstoppable
Anything's possible

Fight like an animal
Simply incredible
I will blow your mind
Each and every time
Show me your wild side
Can't stop til I make you mine.

Hush now, dumb boy, you know that it's true.
I'm the best thing that ever happened to you.
Hush now, dumb boy, you know that it's true.
I'm the best thing that ever -
Ever, ever, ever, ever

I'm unstoppable
Anything's possible
Fight like an animal
Simply incredible
I will blow your mind
Each and every time
Show me your wild side
Can't stop til I make you mine.

I can't stop til I make you mine.

Ain't gonna stop 'til you're mine!

Na na na na na
Na na na na na
Na na na na na

Ain't gonna stop 'til you're mine!

Na na na na na
Na na na na na
Na na na na na
