I'm never coming down off you no  
I'm never coming down off you no  
I'm never coming down off you no  
I'm never coming down off you no

Go ahead, go ahead  
Tell me that I love too hard, I take it too far  
Go ahead, go ahead  
And tell me that I lost my brain, its all down the drain  
I'm too far gone  
To Turn back now  
The parachutes locked  
The brakes went out  
Why don't you try it  
I know you baby I swear you'll like it  
Yeah

Light it up, light it up, light it up  
I'm ready to go, ready to go  
Overdosin' on you babe  
High off your love  
Light it up, light it up, light it up  
I'm ready to go, ready to go  
Overdosin' on you babe  
High off your love

Light it up, light it up, light it up, light it up, light it up,  
light it up, light it up  
I'm ready to go oh oh oh oh oh oh oh oh oh oh oh oh oh  
oh oh ooh oh  
Light it up  
Ready ready, ooh oh

Go ahead, go ahead  
Tell me that I loved too hard, I take it too far  
Go ahead, go ahead  
Tell me that I lost my brain, its all down the drain  
I'm too far gone  
To Turn back now  
The Parachutes locked  
The brakes went out  
Why don't you try it

I know you baby I swear you'll like it  
Yeah

Light it up, light it up, light it up  
I'm ready to go  
Overdosin' on you babe  
High off your love  
Light it up, light it up, light it up  
I'm ready to go  
Overdosin' on you babe  
High off your love

Light it up, light it up, light it up, light it up, light it up,  
light it up  
I'm ready to go  
Light it up  
Go ahead, Go ahead  
Tell me that I loved too hard, I take it too far  
Go ahead, Go ahead  
Tell me that I lost my brain, its all down the drain  
I'm Too far gone  
To Turn back now  
The Parachutes locked  
The brakes went out  
Why don't you try it  
I know you baby I swear you'll like it
