Strawberry shimmer on hot lips, silver buckle hangin'
off her hips
I sparkle when she smiles, shine down on the radio dial

Homemade jar, lemon drop take a sip. Don't stop girl,
you know I love it when you

Get your shine on
You and me be rockin' all night long
Summer sky drippin' rhinestones
Turn your party lights on
Baby get your shine on-baby get your shine on

Silverado, candy painted, Ray Ban's got the whole
world shaded. Chrome piece tucked in the console
Ridin' high, roll up on the down low
Feelin' lucky, got hooked up with Kentucky, clear
So slide that little sugar shaker over here and

Get your shine on
You and me be rockin' all night long
Summer sky drippin' rhinestones
Turn your party lights on
Baby get your shine on
Baby get your shine on

Homemade jar, lemon drop, take a sip. Don't stop girl,
you know I love it when you get your shine on
You and me be rocking all night long
Summer sky drippin' rhinestones, turn your party lights
on. Baby get your shine on-shine on
Baby get your shine on, cause you and me be rocking
all night long. Summer sky drippin' rhinestones turn
your party lights on.
Baby get your shine on
Baby get your shine on(x2)
Strawberry shimmer on hot lips, silver buckle hangin'
off her hips I sparkle when she smiles, shine down on
the radio dial. Silverado, candy painted, Ray Ban's got
the whole world's shaded. Chromed piece tucked into
the console, ridin' high, roll up on the down low.
Baby get your shine on.
