(Don't act like ya'll didn't know this wasn't  
comin')

Alright

You know Tommy gonna trick his truck, jack it up big  
time  
Lift kit, chrome tips, spit shinin' like a diamond  
Game change when the rain came  
And we took it down a back road  
Georgia clay mudhole/That's how these boys roll

Now it's late night underneath the moonlight  
Everybody's feelin' right and sippin' on a bud light  
Go on drop your tailgate, turn up your radio  
I'm a build a bonfire, you can make yourself at home

Kick back, relax, you know we just a bunch of hillbillies  
Tip back your cup of jck and throw your hands up with  
me

[Chorus]

Hey, we might look a little crazy tonight  
But hey baby that's alright  
It's our backwoods, boondock roots  
It's just what we do, it's just what we do  
Hey, ain't no way to make this up  
When it's runnin' through your blood  
There ain't no hidin' the truth  
It's just what we do, it's just what we do  
Yeah it's just what we do

You see Tommy called Jenny and Jenny gonna call the  
hotties  
Tell 'em bout the party so don't forget the Bacardi  
Time to get your buzz on, your love on, all night long  
And if you play your hand right, you won't have to go  
home alone  
Six-string pickin', solo cup sippin', when the moments  
right  
Grab your phone and get them digits

Crankin' that Bocephus, we all good with Jesus  
Come Sunday mornin' that preacher he 'bout to preach  
it

Kick back, relax and pass the good time moonshine  
Who brought the party? Damn, that was Florida  
Georgia Line

(Repeat chorus)

Hey, we might look a little crazy tonight  
But hey baby that's alright  
It's our backwoods boondock roots  
It's just what we do, it's just what we do  
Hey ain't no way to make this up  
When it's runnin' through your blood  
There ain't no hidin' the truth  
It's just what we do

Hey won't you say we get crazy tonight  
We gonna get your drinks up high  
It's our backwoods boondock roots  
It's just what we do, it's just what we do  
Hey ain't no way to make this up  
When it's runnin' through your blood  
There ain't no hidin' the truth  
It's just what we do, it's just what we do

Yeah it's just what we do  
Yeah it's just what we do  
Yeah it's just what we do
