[hook]

I'm only human
Come on baby dry your eyes
Wipe your tears
Never like to see you cry
Won't you please forgive me
I wouldn't even try to hurt you
I just needed someone to hold me
To fill the void while you were gone
To fill the space of emptiness

[chorus]

I'm only human
Flesh and blood I'm made
Human
Born to make mistakes
So many night I long to hold you
So many times I look and saw your face
And think to change to way I feel
No one else could ever take your place

[chorus rap]

Dee is the name, life is a game
Can be true or not, what's up with you
I mean to say I make you cry
Don't have to be but I didn't know why
Baby I'm sorry if I heard you cry
Would you please forgive me
If I tell what's keeping inside
I promise to know of each day and every day
So please forgive me
[repeat chorus]
