I live my life  
And I despise  
Everything you told me  
You see I'm getting older  
Beat me down  
Shut your crown  
Let's shut down the system  
this life is just mine

I will never win this game  
(I don't want it all)  
And I will never break these chains

I live my life  
And I despise  
Everything you told me  
You see I'm getting older  
Beat me down  
Shut your crown  
Let's shut down the system  
this life is just mine

I will never let you slide  
(I don't want it all)  
And I don't wanna step aside

(Ñ...4)  
I'm looking inside you  
Stay away from me  
Sick and twisted  
Searching for a safe place  
Lonley, wasted  
Shut the fuck up and cry  
And I'll be strong to stab

No i can't kill  
But i don't want it  
Don't leave me  
I wait and bleed  
blame is my atonement  
I'll die for my since  
Don't leave me

I will never win this game  
(I donâ€™t want it all)  
And I will never break these chains  
I will never let you slide  
(I donâ€™t want it all)  
And I don't wanna step aside  
(I donâ€™t want it all)
