We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)

What you want, I shoot a line thinkin' maybe we can talk
'Cause the first time I layed eyes on you, boo
I seen into the future, you and I true blue, huh
High school, eleventh grade, my my you, fly
I was struck, you gave a go, we took it slow

Every Friday you made it my day, comin' to know
You was pure inside out and not just a ho
Oh my God, my folks takin' to you, now it's official
If other girls would call the crib

My mommy, she would blow the whistle
I'ma, past the fatuation love is in effect now
What you call sex, I say 'yo baby, I'm stressed out
We hooked a bond that's so strong knowin'

We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)

We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)

We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)

Many years in the mix now
We get a crib together, our love is tough as leather
Always by your side like a shadow but not narrow
You be like my queen, O.C., I'll be your pharaoh

Handle each other with care, we're inseparable
None come second to you
We embellish in trust, we might fuss and cuss
'Cause we're like stainless steel baby, we can never
rust

Blessed with God for grantin' my soul mate to life
Common law, 9 years, you officially my wife, ooh
Do what you want, I don't worry bout fools
'Cause I know, know it's me, you're comin' home to
True teenage love turned into somethin' strong knowin'

We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)

We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)

We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)

Always and forever, forever always
So much temptation but I don't pickup strays
Case in fact, I'd rather be many a groupies
Lookin' fine like I realized they just floosies

Toured the world from Amsterdam to Japan
Shot at me on tour, hooker tried to play a man, now
Thought about my girl, my moms and my pops
If it wasn't for the cops I'd be layin in a box

Dyin' in vain, causin' whole lotta pain
Tombstone mighta read, "Gave it what all for the
fame"
And when I'm away call my woman every day
I figure why fuck up a good thing over one night's lay

I say gettin' past all the sour times we had
From others intervening talkin' nothing but trash
But we got a bond that's so strong knowin'

We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)

We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)

We just can't go wrong
You got me hypnotized, mesmerized
(Mesmerized)
