[Chorus](8X)

"Police be clocking me" -> KRS-One - Hip Hop vs Rap

[Verse 1]

I make wax, I pay tax, I don't show cracks

Something to kick back, you callin' on dispatch

The deal you'd did with a dealer you the distel

Took Gladys from his box now he's burried in the
system

You see me comin' out of my building

All types of days and nights, wondering if I got a nine
to five

Those I always do, so you cry I spy

A flashin' goes smile, you in the corner of my eye

Walkin' I feel the hawk over right the side

It's over from the act, lyricist start to walk live

Shop lift or what, then I start to jog

Hearin' speed accelerated from the J-8's car

The sirens sound violent they expect more not ready

I'm on the stoop my man named Little Eddy we started
laughing

He's nextdoor from me, is a house that has traffic like
drugs are free

But I'm a new face in a new place of a melon race

Gets black in 'em makes a good fellow case

And that's not so and I get mad cause everywhere I go

Long as I'm dark walkin clarks in my village tho

Runnin' frantic sendin' O.C. into a panic
