*Running After You

Verse 1

I can't see myself with nobody else but you
Baby your love take me higher
I don't think you understand how far I'll go for you
But baby I'll chase forever if your love is waiting on me

Chorus

I never get tired of running after you
All I can think about is being next to you
And when I'm in pain baby it's from being away from
you
Anything you ask me, baby I'll do

I'll Do (x 4)

Verse 2

And I can't see myself being away from my baby
And I don't mind begging you
Dont mind chasin' you girl

Chrous

I never get tired of running after you
All I can think about is being next to you
And when I'm in pain baby it's from being away from
you
Anything you ask me, baby I'll do

I'll Do

Anything (x 12)

Chorus

I never get tired of running after you
All I can think about is being next to you
And when I'm in pain baby it's from being away from

Anything you ask me, baby I'll do

I never get tired of running after you
All I can think about is being next to you

And when I'm in pain baby it's from being away from
