I've lost my streak, been falling slow
Miscounting weeks of highs and lows
I've lost this grin, been calling home
Because a fire never starts within a ghost

Follow me tonight
I'll take you on a moonlight ride
Drive until we see the lights
And go
I'll make up your mind
We're moving cause we got no time
Drive until the sun will rise
And drive
Let's go

I've lost my cool from losing you
Now I feel a little broken and bruised from sticks and
stones
I feel the storm kicking in, it's sinking deep into my
skin
If a fire never starts within will it glow?

Just like these city lights, your lips in the sun
We should run like rivers or children would run
And drive
(Away oh, away oh, ah)

Follow me tonight
I'll take you on a moonlight ride
Drive until we see the lights
And go
I'll make up your mind
We're moving cause we got no time
Drive until the sun will rise
And drive
Let's go

I said it first, three words you never replied
But it got worse looking deep in your eyes
These stars glow slow but I could never let you go
And I said follow me tonight

I'll take you on a moonlight ride
Drive until we see the lights, yeah
I'll make up your mind
(Away oh, away oh, away oh, ah)
We're moving cause we got no time
(Away oh, away oh, away oh, ah)
Moving cause we got no time

Follow me tonight
I'll take you on a moonlight ride
Drive until we see the lights
And go
I'll make up your mind
We're moving cause we got no time
Drive until the sun will rise
And drive
Let's go

Oh, oh, oh
I'll take you on a moonlight ride
Oh, oh, oh, oh
Let's go
Oh, oh, oh
I'll take you on a moonlight ride
Oh, oh, oh, oh
Yeah

And drive, oh

Away oh, away oh, away oh, ah
Away oh, away oh, away oh, ah
