Stop playing  
You're just raping yourself  
Wars for the weak  
You repeat and defeat

In a world so cold  
In a world so wrong  
In a world so bold  
In a world so strong

Live! Fight!  
We are devil's angels!  
Run! Hide!  
We are devil's angels!

She's kissing another  
They're eating each other  
As usual I'm the last to know  
A new foe on the show  
I'm surprised you're so low

In a world so cold  
In a world so wrong  
In a world so bold  
In a world so strong

Live! Fight!  
We are devil's angels!  
Run! Hide!  
We are devil's angels!  
Live! Fight!  
We are devil's angels!  
Run! Hide!  
We are devil's angels!

Run. Run! RUN!  
Hide. Hide! HIDE!  
This is about to glow!  
This is about to blow!  
This is about to blow!

Live! Fight!

We are devilâ€™s angels!

Run! Hide!

We are devilâ€™s angels!

Live! Fight! (This is about to blow)

We are devilâ€™s angels! (This is about to blow)

Run! Hide! (This is about to blow)

We are devilâ€™s angels! (This is about to blow)
