Hope sleeps without me  
Her sweet dreams surround me,  
But I'm left out  
I'll need a fix now  
To believe, to feel

These rooms are dark now  
These halls are hollow,  
And so am I  
She is hard to find now  
To believe  
To see

Hope is what we crave, and that will never change  
So I stand and wait  
I need a drop of grace to carry me today,  
A simple song to say  
It's written on my soul:  
Hope's what we crave

I won't turn to dust now  
Let these tears rust now on my face  
Give me the spark now  
To believe  
To see

Hope is what we crave, and that will never change  
So I stand and wait  
I need a drop of grace to carry me today,  
A simple song to say  
It's written on my soul:  
Hope's what we crave

To live, to die,  
To lose, to get,  
To rise above  
To love again

To live, to die,  
To lose, to get,  
To rise above  
To love again

To love again

Hope is what we crave, and that will never change  
So I stand and wait  
I need a drop of grace to carry me today,  
A simple song to say  
Hope is what we crave  
I need a drop of grace  
It's written on my soul:  
Hope's what we crave

It's written on my soul:  
Hope's what we crave

Mmmmmmm,

Hope's what we crave

MMmmmmmm,

Hope's what I crave
