Run away from everything from all the things we  
shared  
just don't forget to read my letter  
don't forget that we were happy we both made our  
mistakes  
but we always found our way  
don't give up on us now  
from the deepest part of me

I said hey  
if you wanna bring me down  
just go ahead cuz I'm not sure there's a better part of  
me  
I said hey  
if you wanna leave me now  
just think it over cuz I don't wanna make the same  
mistake's

You burned me  
let me hear you tell me that you loved me  
come on let me hear your voice  
I watched you burn our love right to the  
ground I hope your happy now that I'm gone  
why'd you throw it away

I said hey  
if you wanna bring me down  
just go ahead cuz I'm not sure there's a better part of  
me  
I said hey  
if you wanna leave me now  
just think it over cuz I don't wanna make the same  
mistake's

You ripped this whole thing apart I said  
you ripped this whole thing apart  
from the deepest part of me

I said hey  
if you wanna bring me down  
just go ahead cuz I'm not sure there's a better part of  
me

I said hey  
if you wanna leave me now  
just think it over cuz I don't wanna make the same  
mistake's
