If you listen carefully
You can hear the sound call of a mystery
We used to hear it on the radio days
I don't like the way it sounds in my car these days
I wanna hear songs, of inspiration
Rising up this world and a Lovin' the nation
But if they put this, Reggae of all
on this radio, can you imagine it all?

We let the beat drop, as I hear that reggae go
As I hear that reggae go
We don't hear it up on the Radio the Radio
Yes but we bump it sometimes
On the stereo, when we unwind

We let the beat drop, as I hear that reggae go
As I hear that reggae go
We don't hear it up on the Radio the Radio
Yes but we bump it sometimes
On the stereo, when we unwind

As we listen to this online craze
I wonder why we don't hear it on the radio waves
They wanna see some rage and these victims of crime
To see this love of music, but only online
They say, One Love is gonna change this land
Why don't we hear it on the radio then?
I put the bass up, and the vibe is so live
Listen to this reggae music all night

We let the beat drop, as I hear that reggae go
As I hear that reggae go
We don't hear it up on the Radio the Radio
Yes but we bump it sometimes
On the stereo, when we unwind

We let the beat drop, as I hear that reggae go
As I hear that reggae go
We don't hear it up on the Radio the Radio
Yes but we bump it sometimes
On the stereo, when we unwind
