### "Crash And Burn"

I walk in, a shadowed land, of who I was, wasting away,  
wondering  
Will things remain, This fucked up way, while I blame,  
everything, but me.

I can't take this, anymore  
I wont fade away  
I can't fake this, anymore  
I wont crash and burn

Save me, from this creature inside, that's altering, my  
state of being  
Sweltering, from the heat in my heart, beating away,  
until I say...

Chorus

I wont crash and burn x4

Chorus

Burn, I wont crash and burn x 4  
Burn x 4
