Slow down, Take it one day at a time
Just breathe, And it'll be alright
I fear to Let myself love again
I hide, and its not fair

Now whats gone wrong?
I've been so betrayed
I'm Living this way
But the scars remain

Chained down, with my burdens near
Recaps of what I fear
I know, This will all just pass by
I know who I stand by

So long ago, But thats not me
So long ago...

Now whats gone wrong?
I've been so betrayed
I'm Living this way
But the scars remain
Now whats gone wrong?
I've been so betrayed
I'm Living this way
But the scars remain

Its time that I (time that I)
Push my fears aside
Its time that I (time that I)
Wake up and try
It's time that I (time that I)
I hide these scars
That ripped me apart...

The scars remain...the scars re-main...

Now whats gone wrong?
I've been so betrayed
I'm Living this way
But the scars remain
I'm living this way

I've been so betrayed
The scars remain..
