All that I want is
A pair of wings to fly
Into the blue of
The wide open sky

Show me your scars
I'll show you mine
Perched out of the city
On a pair of power lines

On clouds I'll sing and dance
I just might fall
But I'll take that chance

All that I want is
A pair of wings to fly
Into the blue of
The wide open sky

Show me your scars
I'll show you mine
Perched out of the city
On a pair of power lines

On clouds I'll sing and dance
I just might fall
But I'll take that chance

All that I want is
A pair of wings to fly
Into the blue of
The wide open sky

Show me your scars
I'll show you mine
Perched out of the city
On a pair of power lines

All that I want is
A pair of wings to fly
Into the blue of

The wide open sky

Show me your scars
I'll show you mine
Perched out of the city
On a pair of power lines

All that I want is
A pair of wings to fly
Into the blue of
The wide open sky

Show me your scars
I'll show you mine
Perched out of the city
On a pair of power lines
