I wonder out on the dark
You're on my mind when I sleep

I see you for who you are
It feels right and complete
I'm falling for you, falling for you
I don't ever wanna turn around, ohh

Sparkling like diamonds
Flashing like a neon
You light the sky I see, you
Sparkling like diamonds
Flashing like a neon
You keep my dreams alive, my destiny
Ohh, ohh, ohh
Ohh, ohh

Feel my temperature rising (Rising)
You got me walking on air
Hits you like a bowl of lightning
Makes me forget all my fears
I'm falling for you, falling for you
I don't ever wanna turn around, ohh
Dying for you, dying for you
You make my world turn around, ohh

Sparkling like diamonds
Flashing like a neon
You light the sky I see, you
Sparkling like diamonds
Flashing like a neon
You keep my dreams alive, my destiny
Ohh, ohh, ohh
Ohh, ohh

It's like I never felt before, ohh
Keep on shining, give me more, ohh
Hey, yeah
Let it go on and on and on, oh oh

Sparkling like diamonds
Flashing like a neon

You light the sky I see, you
Sparkling like diamonds
Flashing like a neon
You keep my dreams alive
Sparkling like diamonds
Flashing like a neon
You light the sky I see, you
Sparkling like diamonds
Flashing like a neon
You keep my dreams alive, my destiny
Ohh, ohh, ohh
Ohh, ohh
