Staring at the top sheet
Listening to my hearth beat
Wondering how to say it
Playing over one track
Wanting you to come back
Want to have you here

Lying on a cold sheet
Jump into my car seat
Drive down to the river
Nightlight it's reflecting
Somehow I'm expecting
Your voice in my ear

I wish that I could tell you
I wish that I could tell you
I wish that I could tell you
All the thigs that you do

Come back 'cause I'm gonna be a lonely girl again
Come back 'cause I'm gonna be a lonely girl
Come back 'cause I'm gonna be a lonely girl again
Come back 'cause I'm gonna be a lonely girl

Lying in the long grass
Watching as the clouds pass
Hands held in silence
Your arms right around me
Feeling glad you found me
Feeling like I'm home

Wish you would remember
April to september
Wanting to be near me
Racing for the sunrise
Staring into my eyes
You and I alone

I wish that I could tell you
I wish that I could tell you
I wish that I could tell you

All the things that you do

Come back 'cause I'm gonna be a lonely girl again
Come back 'cause I'm gonna be a lonely girl
Come back 'cause I'm gonna be a lonely girl again
Come back 'cause I'm gonna be a lonely girl

Lay back in my own dream
Playback on a big screen
You and me together
Why give up a love found
Wish that I could write down
What you mean to me

I wish that I could tell you
I wish that I could tell you
I wish that I could tell you
All the things that you do

Come back 'cause I'm gonna be a lonely girl again
Come back 'cause I'm gonna be a lonely girl
Come back 'cause I'm gonna be a lonely girl again
Come back 'cause I'm gonna be a lonely girl

(So lonely... so lonely... so lonely... so lonely...)

Was it so wrong
No you said you loved me
Could it be so easy
Just to walk away
