I don't know why
I see the truth in every line
Call me naive but I would rather
Believe

And when I look into your eyes
They've seen an awful lot of lies
And you guide me home

You know I know what it means
To be freying at the seams
Out of my mind

If I tell you a secret
Will you promise to keep it?
Keep it close to your heart
And never tell a soul

Because I have a secret
And it's hell trying (to) keep it
It tears right through my heart
And it swallows me whole

I don't know why
I feel my faith is on the line
How things appear
Seemed to be ever unclear

And when I look into your eyes
They've seen an awful lot of lies
And you guide me home

You know I know what it means
To be freying at the seams
Out of my mind

If I tell you a secret
Will you promise to keep it?
Keep it close to your heart
And never tell a soul

Because I have a secret
And it's hell trying (to) keep it
It tears right through my heart
And it swallows me whole
