I'm so appalled with my society;  
There's no variety, I'm so bored;  
All of these fake g's;  
Are scamming to make p's;  
Legitimate pay please;  
Cousin, I'm no fraud;  
I'm cooler than AC;  
And my heart's so warm;  
Trying to make heat for a heartfelt cause;  
Ain't tryna beat girls;  
Nah, girls get ignored;  
I ain't tryna see shells nah I'm so shore;  
I mean well;  
And my heart's so pure;  
But it's hard being strapped for cash;  
Some roll on the road pulling straps for cash;  
Chasing loads of the dough, tryna dash from tax;  
Tryna multiply the ps; they add weed just to take away  
the pain  
Did you catch the maths?  
It's trigonometry,  
Because some are rolling with chrome  
They'll google search for your dough, in your home;  
See we're all tryna cut that cake;  
But it's long for the beef, there's too much at stake;  
We've got youths in hearses, guns that blaze  
It can only get worse with the cut backs made; but hey;  
I ain't no politician  
Or an obnoxious Christian;  
I'm just a kid from the block;  
Who watches and listens and learns lessons;  
Straight A student;  
But some peeps aint gon' pass they aint prudent;  
Some girls aint got class they play truant;

I'm so appalled by the state of society;  
This is an audio take of my diary;  
I feel like I've seen too much;  
I'll stop there Let me not speak too much;

I'm so appalled by the state of society;

This is an audio take of my diary;  
I feel like I've seen too much;  
I'll stop there Let me not speak too much.
