You have pushed me
Into a Situation
That I cannot
Stray away from

C.U.N.T.
Your a fucking cunt
Needless to say

You fucking fucked me
Not in the good physical way
You fucking fucked me
Not in the good physical way

C.U.N.T.
You'll always be that way
Just another cunt
Fucking up my day

Needless to say
I insult you
Then you insult me

Just another C.U.N.T.
Mistreating me
Stripping me down
Taking the best of me

C.U.N.T.
C.U.N.T.
C.U.N.T.
C.U.N.T.

Maybe this is what we wanted
Maybe this was meant to be
All I know is I got slaughtered
And you have the best of me
