Is There No Time To Stay  
Is There No Time To Stay  
Is There No Time To Stay  
Is There No Time To Stay

Go ahead rip out my heart  
No I would not say  
It would be OK  
Just use something sharp  
Afterwards  
Is There No Time To Stay

It's unforgivable  
What you've done to me  
But I allowed it  
Because I could only gain

Is There No Time To Stay  
Is There No Time To Stay  
Is There No Time To Stay  
Is There No Time To Stay

I thought I could  
Handle the pain  
But it only drove me  
Far more insane
