I don't wanna
I don't wanna
I don't wanna
But I'm gonna

I don't wanna
I don't wanna
I don't wanna
But I'm gonna

I don't wanna
I don't wanna
I don't wanna
But I'm gonna

It's the hardest thing
I've ever loved doing
I don't wanna
But I'm gonna

Is nothing sacred anymore
You are not sacred anymore
My wasted time meant nothing more
I cannot blame you for being

I don't wanna
But I'm gonna
Eventually
When I am ready
