Intro:

Mhmm, whatever negro (whateverrr)
You're done, I said you're done (TUH)
BYE!
You think I'm dumb?
I know everything.)

Verse:

UH UH!
Who's this bitch on your TL?
All I know is you better get that hoe before I go to jail
And if you ain't know (guess what),
I been all up in your phone (that's right),
'cause you left it unlocked,
damn right I stalked,
SCA-ROLL, SCA-ROLL
Who's Felicia ? MMM, who's Shabria?
Mmmhmmmmm,
who's empty bottle of tequila, IS THIS?
see you sneaky, you playin' games
but it's coo now boo 'cause I know all these bitches
names
Go have fun with Tiqua (HOE),
Go fuck Shanequa (SLUT),
You ate out Lisa
and that hoe trick Tanisha? You sick. (Gross)
Don't get mad now negro
just 'cause you got caught
And don't lie 'bout shit
'cause I screenshot!
Oh, you say you sorry?
Well I don't believe you. (Liar)
You lucky I don't call my older brother
to come over here to beat you
I am INDEPENDENT
I sure as hell don't need you
Real recognize real boo boo
and I don't see you
And so what if that's the her real hair
Boo I ain't trippin'

this weave was \$53
and look better than her split ends (Duh)
I deserve better anyway
You never listened
So go ahead and be
with them basic bitches
There's the DOOR
BYE, good riddance (deuces)
By the way, suck my clit and lose my fuckin' digits (your
useless)
'cause you tried to play this bitch, like a bitch dumb
Well guess what negro?
We're DOOOONE (you're cuuut)

We're done,
We're done,
I said we're done,
That's right we're done
I said we're done,
That's right we're done

Drop the keys off before you leave
BYE!
