(Chorus)

Why don't we make sunshine though the day is  
dark and gray?  
we can go outside and have a good time at play,  
having a good time can make our sorry go away,  
let's make this day so fine let's make some  
sunshine.

( Verse)

I looked up at the skyline and noticed some dark  
clouds  
I wondered why these dark clouds darkened the  
coastline  
where we wanted to play, we can make this day so fine,  
Let's Make Some Sunshine!

(Chorus)

(Verse)

Dark clouds can block out the sunshine  
and block out the good time  
we can still have some good time  
because our friendship will bring happiness  
we can make this day so fine,  
Let's Make Some Sunshine!

(Chorus)

(Bridge)

Having a good friendship can brighten all of  
our dark skies, how wonderful  
a good friend ship can be.

(Verse)

Friendships can make bright skies from sunshine  
until moonshine we'll brighten all those dark  
Brighten the coastline where we wanted to play  
We make this day so fine, Let's Make Some  
Sunshine

(Chorus)

Why don't we make sunshine though the day is

dark and gray?  
we can go outside and have a good time at play,  
having a good time can make our sorry go away,  
let's make this day so fine let's make some  
sunshine.
