(Verse)

There are some boys and girls, who have different  
color skin,  
they all look so nice that they give this world some  
spice

(Chorus)

People like you and me; weâ€™re all a part of a family  
tree  
People like you and me; we should treat each other  
kindly  
the whole wide world will agree, weâ€™re all the same  
in  
every country.

(Verse)

There are some boys and girls who are from different  
parts of  
the world, it all looks so nice when we create one great  
big  
swirl.

(Chorus)

(Bridge)

People all over the world I wish that you could see,  
what a wonderful world it would be if we lived in  
harmony.

(Verse)

There are some boys and girls who speak a different  
language  
though theyâ€™re from a foreign land thereâ€™s one  
message that  
we all understand that:

(Chorus)

People like you and me, weâ€™re all a part of a family  
tree  
People like you and me, we should treat each other  
kindly  
The whole wide world will agree, weâ€™re all the same  
in

every country.
