Youâ€™re my mother father sister brother uncle and  
auntie,  
Youâ€™re everything to me.  
You come in white black brown yellow and red  
What more can be said!  
Youâ€™re from the North, South, East and West,  
but no matter where youâ€™re from you are the best.  
I want the whole world to see, you are my universal  
family.

Well my family is the whole universe  
it doesnâ€™t matter who you are or where youâ€™re  
from.  
I have a deep love and affection  
for each and everyone  
Iâ€™m so glad that youâ€™re a part of my life  
cause you mean so much to me  
I want the whole world see,  
youâ€™re my universal family.

Well my family is so diverse and wide,  
there are a lot of us,  
when we stand side by side.  
As we grab hands in a circle, no one can divide us.  
Iâ€™m so glad that youâ€™re a part of my life  
cause you mean so much to me.  
I want the whole world see,  
youâ€™re my universal family.

My family cheers me up when Iâ€™m down;  
when itâ€™s time to help me theyâ€™re always  
around.  
I would be so lost without them,  
what more can I say,  
Iâ€™m glad that you are a part of my life  
cause you mean so much to me  
I want the whole world see,  
youâ€™re my universal family.
