(Verse)

Sometimes I ask myself who am I?  
it depends on where I am or who I'm with,  
the mood that I'm in order to know what to say.

(Chorus)

Who am I?  
And why do I do the things that I do?  
sometimes I'm the sun when I smile,  
sometimes I'm the rain when I cry,  
sometimes I'm a bird when I sing,  
sometimes I'm a heart when I'm with you.

(Verse)

Many parts of me that you can't see  
if you want to spend some time I will let you view  
the many faces that I'm willing to show to you.

(Chorus)

(Bridge)

Time together is how we learn about each other,  
I would like to learn about you  
would you like to learn about me.

(Chorus)

(Verse)

Many parts of you I would like to know  
I would like to spend some time so that you  
will show  
the many faces that you're willing to show to me.

(Chorus)
