This rollie on my wrist say Iâ€™m important
That kush that I smoke from california
Them zans and the ec come from florida
Got a bad bitch in georgia and jordan, I do
She say she down to spit niggas up, thatâ€™s important
I donâ€™t fuck with broke nasty bitches, they too normal
This rollie on my wrist steady screaming Iâ€™m
important

Juelz fucked your hoe, man it's... too foreign
Pull the pistols out get this shooting and I'm scoring
The package came in and it's gone by the morning
I'm a real trapper man I'm hustling on the corner
Hand cop, gun cop, smoking marijuana
Pull up on your block and you lacking you's a goner
My heart cold but them bullets hotter than a sauna
