We'll have a dark Christmas
We'll have a dark Christmas
Red and white
Out in the night
Dark Christmas

Where will you go on the empty streets?
Shadows appear on your doorstep wreath
Hope you've been good as a boy can be
If I were you I wouldn't fall asleep
Until the sun

We'll have a dark Christmas
We'll have a dark Christmas
Red and white
Out in the night
Dark Christmas

We'll have a dark Christmas
We'll have a dark Christmas
When the snow comes down
And freezes the ground
Dark Christmas

Footsteps will follow you through the snow
Every turn everywhere you go
Feeling the cold running down your back
It'll get dark, so dark, so dark,
Until the sun

We'll have a dark Christmas
We'll have a dark Christmas
Red and white
Out in the night
Dark Christmas

We'll have a dark Christmas
We'll have a dark Christmas
When the snow comes down
And freezes the ground
Dark Christmas
