First verse,

You lifted me off the curse
Too many times I had my bubble burst
And now you turned me up,
You turned me on,
You turned me in,
You turned me round,
Next phase,
Caught in another maze,
Too many ways to end up in the same place,
And when you built me up,
You built me strong,
You built me then you tore me down,

Ahhh, I feel you like an earthquake,
Shake shake,
Shake shake, shika, shake shake
Ahhh, I guess it was a mistake,
An ache, a misstep into heartbreak,
Aah and what if it was all fate,
All fake,
Feel your world turn as it vibrates,
Ahhh, Got caught up in your earthquake,
Now it's too late,
shika shika shake shake shake
shika shika shake shake shake

Second verse,

It had to get even worse,
Left me in the desert with a thirst,
And now you turned me up,
You turned me on,
You turned me in,
You turned me down,
Next step,
Remembering to forget,
All the words and feelings, you can bet,
'cause when you built me up,
You built me strong,
You built me then you tore me down,

Ahhh, I feel you like an earthquake,

Shake shake,
Shake shake, shika, shake shake
Ahhh, I guess it was a mistake,
An ache, a misstep into heartbreak,
Aah and what if it was all fate,
All fake,
Feel your world turn as it vibrates,
Ahhh, Got caught up in your earthquake,
Now it's too late,
shika shika shake shake shake
shika shika shake shake shake
