I have a feeling that wont go away,
That's just the way it is,
That's just the way it is
In the shadows of the brightest day,
They say that's where it is,
They say that's where it is,
When you get back into the real life,
You will recognize,
recognize,
That everything has changed.

And when the feelings aren't running away,
You better think of something better to say,
And now the survey says it's too late, Too late, way too
late,

Out Out,
Gotta figure out,
Out out,
Gotta feel it out,
Out Out,
Until you're climbing up your tallest dreams,
Climbing up your tallest dreams,

Hot in the climate of the honesty,
That's just the way it was
That's just the way it was,
Lost in the middle and too blind to see,
Have we been making dust,
Have we been making dust,
When you step back into the real life,
You're gonna capsize,
Capsize,
Cause everything has changed.

Out Out,
Gotta figure out,
Out out,
Gotta feel it out,
Out Out,
Until you're climbing up your tallest dreams,
Climbing up your tallest dreams,

Keep climbing,
Keep climbing,
Keep climbing up,
Keep climbing,
Keep climbing,
Keep climbing,
Keep climbing up,
Keep climbing,

Out Out,
Gotta figure out,
Out out,
Gotta feel it out,
Out Out,
Until you're climbing up your tallest dreams,
Climbing up your tallest dreams,
Climbing up your tallest dreams,
Climbing up your tallest dreams.
