Successor

Uhh As the world mourning mehn I keep smiling I Don' t give a fuck what they gonna say bout me Mehn im stunnin hard, Damn I worked hard tryna count up effort must be a retard

Moving too fast outcome was got in 10 days

Climbing from level to level like a staircase

Never gonna quit mehn amma scarface

You niggaz twisted I guess I call you shoe lace

Red jordans in the box with some Snap bulls

Im on my boss shit

Chillin always break rules

Most niggas out there mayne I call them fools

Why they tryna fuck with me and think they gonna get loosed

Never getting tired burn forever like a fire

To never fade, get money, make heaven that's my desire

Couple niggaz hating make me famous getting higher Anyone who says not hated is a fuckin bloody liar

Couple haters claim your friend they wanna bring you down

You stunnin hard they gonna change you from white down to brown

You feelin low now the pressure gonna make you frown The only time you gonna rise is when you see the crown

True fact

Fuck the game

With a new style

Digging harder than the niggaz in the school farm

Achieving big doing it like a big jam

You mess with me homicide boom bam

Mehn im the shit

Niggah Killin on the beat

Rapping hard niggaz in east even feel my heat

They say when you fall you gotta get back on ur feet

But freeze is never gonna fall seating on the firmest

I set the pace leadin niggaz in the right way

Flamboyant people out just say chill in your estate

Out running all my mates number nine on my jersey

Mayne amma keep fighting down Jet Li They watch me like a movie tell me im their favourite actor

They say they like the way I speak wisdom of a pastor Loving every bit of me like feel like im their doctor Always keep my shoulder stay high im the master
