"The Highest Place"

I was searching for the answers, to the questions deep
within
Through your Son you gave forgiveness, and released
me from my sin
Now I know that there's a reason, why you sent your
only Son
And now I am a true believer, and I know You are the
only One

Chorus:

You take me to the highest place, and it is only by your
grace
You place my feet on sacred ground, I look upon your
face
From all the heavens praises sound, it's flowing with
your grace
And all that I can do is praise your name, I praise your
name

You know sometimes I still wander, You know
sometimes I'm bound to fall
But my Father has the answer, the blood of Jesus paid it
all
So I think of what I've lost, and everything that I have
gained
I know the One who paid the price, and yes, Jesus is His
name
