I saw you last night  
Alone in your car  
It wasn't quite right  
Your headlights were out

I woke up today  
I had to find out  
If all was okay  
But your phone line was out

If you don't come quickly  
If you don't come to  
I'll be gone

I walked to the square  
I called out your name  
They said you were dead  
And we were to blame

If you don't come quickly  
If you don't come to  
I'll be gone

I saw you today  
Alone in your room  
It wasn't okay  
Your headlights were out

Golden Gate  
(Clapp, Schelzel)

Reach high Golden Gate  
Touch the clouds Golden Gate  
Drive up to the sky

Red arms breach the miles  
Bring me to the golden smiles  
Of my girl  
See her smile  
See her soar

Drive  
So high  
Up to the sky

Lala la, la, la, la, la, la

Reach high Golden Gate  
Touch the clouds Golden Gate  
Drive up to the sky

Drive  
So high  
Up to the sky

Lala la, la, la, la, la, la
