So mixed up
With this masquerade
With this mask and wig
With this love parade

The ides of March
The wind of May
Away

Knife to heart
Blade to mind
Starch to soul
Oh, Valentine

Amore wind
Amore rain
A Hurricane

The ides of March
The wind of May
Away

So mixed up
With this masquerade
With this mask and wig
With this love parade

Amore wind
Amore rain
A Hurricane

The ides of March
The wind of May
Away
