This, a new revelation  
Speaks a message to me  
Without hesitation  
Rings out loud and clear

Seize your peace of mind  
Seize your peace of mind  
Seize your peace of mind  
Seize your peace of mind

This American nation  
Takes the message from me  
Without hesitation  
Robs the message from me

Seize your peace of mind  
Seize your peace of mind  
Seize your peace of mind  
Seize your peace of mind

Without all the fanfare  
Ring out loud and clear  
Without all the grandstands  
Ring out loud and clear

Wait up for me, wait up for me  
Wait up for me now  
Wait up for me, wait up for me  
Wait up for me now

This, the ancient of nations  
Holds the message for me  
Without hesitation  
Rings out loud and clear

Seize your peace of mind  
Seize your peace of mind  
Seize your peace of mind  
Seize your peace of mind

Seize your, seize your  
S-s-seize your, s-s-seize your
