"Whenever You're Around"

Slow down, you'll never catch me
Look hard, you'll never find me
Dreams fall apart but that's okay
Plans will unwind but that's alright

Give up, your search is futile
Truth lies within the middle way
Dreams fall apart but that's okay

But I change whenever you're around
I break whenever you're around

It seems like such a fatal view
It seems like such a desperate view
To cling to but another you
To flee to such a desperate view of mine

Let go those bright tomorrows
What's there is filled with sorrow
Dreams fall apart but that's okay

But I change whenever you're around
I break whenever you're around
