(Chinx):

All these money fallin out sky
seen it grabbed it on caught it by surprise..

that dope got me rich
that drop got me flexin
blue dot got me lit
hundred bottles in my section..
TELL THE WAITRESS KEEP COMIN (x4) (wooa)
(x2) (thats riight)

Gotta say them boys em ballin thats a false alarm..
lay a finger on me pussy thats gon cost your ARM
three pink suited james brown pal..
got my fortune on your head now your days are lookin
narrow (wssup?)
party to the A.M we gon fuck some models
they know i manage that dope call me custom lotta...??
this too easy like rocks and paper bags
looking like drop aint easy
then drop a paper towel
whippin on tah work i call that shit reown... ??
whole lotta stress I gain with each and every corner
my jewlery dumb, cocaine long
got like 80 bottles that way
I never heard they commin

that dope got me rich
that drop got me flexin
blue dot got me lit
hundred bottles in my section..
TELL THE WAITRESS KEEP COMIN (x4) (wooa)
(x2) (thats riight)

thousand bottles on my table looking like the plug
told that dumb get the owner im tryin to buy the club..
