Dranked up, smoked up [x2]

[Hook]

Acting like a bitch who me, no never

I'mma get around, chase this money forever

You rocking with the best, no one can do it better

She talking to fast, this is what I tell her:

Pour it up (huh), roll it up (huh)

Shawty do it to fast, then she slow it up (huh)

[x2]

[French Montana]

Rolling quarters 2 meters of that loud too

Speakers, 4 ounces 2 liters of that drank

Fuck ya' think?

In the back ,me and Mac

Shawty mean, going in, quarter back,

Going deep, need a plat

I be platinum with that pussy worldwide

Everything you did, we done did it 4 times

You balling then I missed it

I did it then I switched it

I curve them when I'm sober

And hit it when I'm twisted

I'm dipping down her ocean, hitting walls and curving
corners

Swerving in that space ship, all the bitches they be on
us

Acting like a whore, who me, no never

Purple drink I pour, no body do it better (huuuh)

[Hook]

[Mac Miller]

Shawty how ya been, I love the way you pour me up

You hate it when I sip it , but I love it when you pour me
up

Just another cup girl I don't think I'm moving slow
enough

Fuck these out of town hoes, I'm sticking with my local
love

Baby can you sip it for me

Sleeping, we can miss the moaning?

The bb gun to my raffle be a Christmas story

Yeah, she pull me closer when she getting horny

And I ain't worry bout them other dudes who hit before
me
This gonna be the best
Something that I'm sure of
Girl I dig your energy, I'm fucking with your aura
They wanna kill themselves when I open all my doors
up (suicide)
And this my car but baby you can drive
Cause I'm fucked up , leaning in the passenger
You don't fuck musicians
Baby girl just let me rap to ya
Drop me at the crib , show you where I live , I ain't
worried
Just know your bullshit don't concern me
[Hook]
Dranked up , smoked up [x15]
