[Intro:]

Coke Boy Baby

Chinx Whattup, Montana!

[Hook: Chinx Drugz]

Things they just ain't been the same

Things are very different now

Made my way up in the game

My closest friends are distant now

Haaaaaaa

[Verse 1: French Montana]

Dope n' coke, roll n' smoke her

On that sofa, till it's over-

Homie can't you see we got that waveeeeeeeee

Never sober, till it's over

Homie can't you see we got that waveeeeeeeee

Got that smoke, got that drank

Go and call the freaks

Since I've made it homie all I see is cars and teeth

City-boy, tinted-roys, ridin' dirty-dirty

Only niggas with that white, you can call it fergie

Made that money, then I lost it, made it back again

Told my bitch fuck er', call her back again

Got that itch, makin' hits, back to back again

Feeled it longer, she was strongest, what you up
again?

Me n' chinx on that 9-5

For that loaf, took the oath n' I'm a' die by

All-red-mazzerati, tell them niggas catch-up

From the bottom till I got it, tell them niggas just to...

[Hook: Chinx Drugz]

Things they just ain't been the same

Things are very different now

Made my way up in the game

My closest friends are distant now

Haaaaaaa

[Verse 2: Chinx Drugs]

(Uhh) My head high, my cup full and my pockets swole

Wake up in the mornin' spread that butter on my
bankroll

Things they lookin good, horses on my hood

Bad bitch on my wood, whole life they misunderstood

But now they feel me

Roll up in that suicide, hop out my jewelry so nuts
Your lady doin donuts on my tip
Yes I be that shit, all about my grip
Made my way up out that strip
Now that show money's that show money I grip
Like them vices, your memories are priceless
Just pray I ain't dead n go for I figured would life it
(uhh)
Coke Boy, all the drank, poured up
On the pill, so what, riot gang nigga throw it upppp
[Outro: French Montana]
Dope n' coke, roll n' smoke her
On that sofa, till it's over-
Homie can't you see we got that waveeeeeeeee
Never sober, till it's over
Homie can't you see we got that waveeeeeeeee
Got that smoke, got that drank
Go and call the freaks
Since I've' made it homie all I see is cars and teeth
