..tryna get this song right
..before shauna say its time to go

Chorus:

they say i got big dreams
and that i'm aimin' for the biggest one
- got alot of talent for a young chick
well now the fun has just begun

.. and mean mug the whole truck
(rap)

uh. think of all these things, tryna make it surface
tryna get my team ready for the game on purpose
big steps fa khali & shauna cause they nurture
a youngin' in the game that's only gettin further
gettin' better even in the sickest weather
say you cold well you better bring a winter sweater
got dreams... i've even written them a letter
told 'em that i'm comin' in my vision gettin' better
cause

Chorus:

they say i got big dreams

and that i'm aimin' for the biggest one
