Chorus:

i'm new.. i'm fly
i'm comin' soon.. i feel alive
i'm in my place, i'm goin' home
i love the game .. my microphone
said i would never, end up better
then i was, well now i'm better
i'm gettin' grown, i'm gettin' great
you loved me then, i loved the hate.

First Verse:

6 years ago, they wouldn't
make it or progress, they said i couldn't
get anywhere, but now i'm better
then half them niggas, i'm puttin' shit together
they askin' for a track, want me on they team
said i'm independent, they say what you mean
i said before i wasn't good enough to be on scene
you used to talk about me now you wanna be
my best friend, wanna hit the studio
wanna chill, wanna hit up a party w/ yo bro
wanna smoke, wanna drink, wanna do some dirt
wanna be around me, and salute my work
say from the start, you knew that i would always be
one of the biggest artist in the 803
said i was always real and that i didn't front
but all you niggas talk.. all you do is STUNT

Chorus:

i'm new.. i'm fly
i'm comin' soon.. i feel alive
i'm in my place, i'm goin' home
i love the game .. my microphone
said i would never, end up better
then i was, well now i'm better
i'm gettin' grown, i'm gettin' great
you loved me then, i loved the hate.

Second Verse:

call me jaden.. cause i gotta will
if i died today i wouldnt even feel
guilt for bein me, cause i'm just livin' life

i'm just using time that's here, to make it right
i wouldn't give it up, but i'll share and give
cause everybody dies, not everybody lives
uh. they say i'm on some fake shit
they just mad i'm takin' time to make some new

replacements.

if you left me then, i don't need yo now
aint no now and later, i live in the now
ain't no lay away, i buy it now
and i get the paper; no hand me downs
i'm on my grind, no board involved
just a mic, i'm santa clause
i grant a wish, i make it rain
you see me now, aint you glad i came?

Chorus:

i'm new.. i'm fly
i'm comin' soon.. i feel alive
i'm in my place, i'm goin' home
i love the game .. my microphone
said i would never, end up better
then i was, well now i'm better
i'm gettin' grown, i'm gettin' great
you loved me then, i loved the hate.
