[HOOK: Mossberg Fresh]

I wanna break it and roll it
Twist it and smoke it
Break it and roll it
And then, we'll light it up
We'll light it up
I wanna break it and roll it
Twist it and smoke it
Break it and roll it
And then, we'll light it up

[Verse 1: Shaun Linen]

I'm higher than Mt. Everest
Ain't my flow the cleverest
Goku blunts, nimbus cloud
Get up on my level bitch
Got up on my Federline
Knock me up some rich chicks
One black, one white
Both crazy over this dick
Kushie!
Al green inside my Swisha Sweet
Break it down stuff it fat
Pearl it pro nice and neat
She like the way I ride the beat
I love the way she ride me more
Give her bone, dinosaur
Push that button like I'm George
Bushie!
Beat the pussy like it stole something
Hot pussy on my face like a stove on me
Good kush, long kush like a grove on me
Didn't know that pussy rapped
But look at how it flowed on me
