verse 1 (CrÄ“)

Body by Bugatti, Lamborghini on the legs is
How I like to keep also bobbin' with they heads
Carbon fiber heels, 6 inch is what the trend is
She kill it for the money, driving mercenary benz's
Shake it like the shocks make it ok
Spider all night, no top cabriolet
No belt on but I never felt so safe
She dont wanna stop she be "crÄ“ you get no brakes"
Drum Breaks, but she beat it to a different one
I can rock they way she moves and beats I aint missin'
one
Maranello yellow, lambo orange if you peelin' some
Bikini line fenders get the better of the best of em
(Uh) perfect curves to compare to, give her all you got
if you dare to
Both hands on the wheel man ten & two, she got me
going crazy from the rear view

Hook (D.King)

Im living life in the fast lane, catch me if you can is the
last name
Im a renegade racer, shorty if you wanna go put the
petal to the floor
petal to the floor, petal to the floor, petal to the floor
fast lane
petal to the floor, petal to the floor, petal to the floor
fast lane

Verse 2 (D.King)

She movin' like a Maserati, booty like a Range Rov
Im movin' into third, I hope I make it safe home
Plus she got a fat cat, jaguar legs on
How she keep it thick cud, damn shorty legs long
Bright lights with ferrari heads on
I shoot like a six speed man i hope she dead wrong
Nice lips, nice eyes i dont need a red bone
I need a chick Rev. Run couldn even rev on
Coolest of the pack, and some say Im gifted
And when I say "rev" i was talkin bout the engine
I know to the world, it might seem temptin'
But Ima show why it seems I dont even blend in

Bucket seats, wet paint, ridin with the tints on
Shorty got a buffy body plan on leavin' dents on
She says its gettin too hot, please turn the vents on
Always burnin' rubbers, I need to call Bridgestone

Hook (D.King)

Im a renegade racer, shorty if you wanna go put the

At a perfect speed so we keep the haters glarin'

(CrÄ“)

She dont need nothin' no mods or body kits

Her profile perfect man show room stock is sick
