Verse 1:

Slip sliding,
drunk driving.
Is there anywhere you'd like to go?
Skies distant,
Lights' drifting.
Does it matter, if we know the way?
If we know the way.

Bridge:

Come see lifes' secret life ,

Chorus:

We're climbing for the secrets of the thirteenth floor,
climbing with the secrets that we all adore.
Climbing for the secrets of the thirteenth floor.
Climbing with the secrets that we all adore.
We all adore.

Verse 2

Slip sliding,
subsiding,
in the belly of a hotel cell.

Show no pity for the pretty girl.
Show no pity for the pretty girl.

Bridge:

Chorus:

Verse 3:

I took you to my heart ,and let you in,
cut you to the bone of precious skin.
I took you to my heart and let you in.
