Is it wrong ?Is it right?
My salvation is lying here beside you tonight.
It's a strange kind of wishful sensation.
Follows me home tonight.

You're so far.You're so fine .
The temptation is swirling around my body tonight.
It's a strange kind of twisted sensation.
Follows me home tonight.

I'm amazed by you're complication.
I'm amazed when you take my hand.
I'm amazed by this yearning sensation.
I'm amazed that you want this man .

Is it wrong?Is it right?
The frustrations of all those years have left me tonight.
It's a strange and familiar sensation swallows me
whole tonight
