Verse 1

Sunday morning coming round,
nothing left but the sweet old sound of yesterday,
I didn't see you coming.
You took your time ,
You took a lot.
You took your time ,
now it's all we got to light the way,
come what may,
we're moving on.
Getting strong.
Getting stronger darling.

Chorus:

Turn your love light on.
Turn your love light on,
and open up the door to let me in.
Turn your love light on ,
turn your love light on,
and open up the door to let me in.
Let me in.
Let me in.

Verse 2

Sunday morning coming round,
the sweet perfume and the gentle sound of an angel
sleeping.
She's gently healing.
She took her time , she took a lot.
She took her time now it's all we got to find our way.
Come what may.
We're moving on.
Getting strong.
Getting stronger darling.

Chorus:

Verse 3

Sunday morning coming round.
The simple joy from the gentle sound of a young boy
breathing.
He's gently healing.
He took his time ,
he took a lot .
He took his time ,
now he's all I need, to light my day .
Come what may,
we're marching on .
Getting strong.
Getting stronger , darling.
