

Ocean Colour Scene "Beautiful Losers"

Your dream make up is cracked and wearing thin
Your eyes are on your chin
It's getting hard for you
But to make up is only make-believe
And we don't need a scene like this

Whatever happened to the Beautiful Losers
Whatever happened to the Beautiful Losers

Your eyes closed and dreamed of places[Beautiful
Losers lyrics on]
That you and I would go
It's getting hard for me
To love you, like I used to
I don't believe "hello"
Do you?

Whatever happened to the Beautiful Losers
Whatever happened to the Beautiful Losers
